01 MOROCCAN BEAUTIES

Imported from Fez, Morocco, these handmade clay tiles lend an Old World feel to virtually any decor. And the deceptive simplicity of these 6-by-2-inch rectangles makes them incredibly versatile (just search images online for “Bejmat mosaic tiles”). Available in eight colors. badiadesign.com

02 GEOMETRIC MASTERWORKS

Each of these stunning concrete tiles is like a standalone work of art. Available in a plethora of colors and in patterns from traditional to Moorish, there’s a tile for every style. Shown: Primula SQ, Parisienne Art, and Aureola. mosaichse.com
